EXPRESS HOTELS™

WELCOME TO THE FLIPSIDE

At Express Hotels™ - Glendale, we put all of LA at your fingertips, with a behind-the-scenes point of view. From here behind the Hollywood sign, the center of the world is within reach, but so are all the adventurous fringes. So whatever fame or fortune you seek, we'll help you get there.

THE GANG'S ALL HERE

Daytrippers, city slickers, and beachgoers together at last. Dive into the city - or just our flamingo-friendly pool. Park like a rockstar, kick up your heels in our lobby living room, and soak in that sweet, free high-speed WiFi before burning rubber to the beach, desert, or hot spots across LA's stomping grounds.

LITTLE THINGS MEAN A LOT

At Express Hotels™, our basics are anything but. Whether your day-tripping or keeping it local, count on us for all the standard small things you want, and our occasional jazz hands to help you find what you need.
